

# GENTLE

With their confident stature and elegant look, our GENTLE male mannequins are the ideal way to present high-end clothing. The relaxed nature of each pose reflects the attitude of fashion-conscious young men between ages 25 and 35. GENTLE male mannequins make for a captivating display of tuxedos, suits, and other sophisticated pieces. The range is showstopping when paired with their female counterpart. We developed abstract and semi-abstract heads to go with GENTLE male's expressive poses, but thanks to our mix-n-match policy, can be paired with any of the various heads we offer.
